welcome from  
**FIRST CLASS CATTLE MARKETING**

Welcome to the Source of Elite Simmental Genetics Annual Simmental Sale. This year the consignors have really dug deep to bring you the best they have to offer. Everyone involved has let us select females right off the top of their bred and replacement pens to bring you cattle that truly come from the heart of their herds. Whether it's Full Fleck, Fullblood or Purebred, Bred Heifers or Heifer Calves, there is something here that will please even the most critical of cattlemen. I would personally like to thank Kindred Spirit, Dart, Perlinger, XRC, McCormick for their continued faith in the Source sale and would like to welcome Cornerstone Cattle, Westhill Ranch, Kwiatkowski Cattle, Ian Wasden and Gamache Simmentals as first year consignors. We are very excited to be working with this great group of people and cattle. This years Source sale is once again a Simmental event that you will not want to miss.

The entire staff at First Class Cattle Marketing will be very familiar with the offering. If there is anything we can do to assist you with your purchase please do not hesitate to call. It will be our pleasure to represent you in a professional and confidential manner. I also urge you to call each consignor personally to discuss their offerings with them. I hope to see all of you in Lloydminster

*Selling Choice* Reba 201G and Reba 202G are a pair of heifers that we are very excited to have on offer at this years Source sale. These two females are as royally bred as you are going to find. The potential in these females is huge, and the odds for a large return on investment is stacked in the buyers favour.

Their dam is the breed matron MAF Reba 250B who needs no introduction to Simmental producers. She is the past Maidens of the Meadows high seller commanding an impressive \$35,000 in the inaugural sale. She has then gone on to raise many high sellers herself, most notably the \$63,000 red sensation, MAF Full Velocity who is know working at Hoegl Livestock. MAF Reba 250B was purchased by Circle G Simmentals and Maxwell Simmentals at the 2019 Checkers sale and is now in their donor pen.

Their sire is non other than the great KWA Lawmaker. The \$160,000 red high selling bull from Ashworth Farm and Ranch that was purchased in his entirety by Double Bar D Farms and More Bros Simmentals. Since the sale of Lawmaker his sons, daughters and semen has commanded sale topping prices. His daughters are second to none females with great udders and tremendous volume and soundness.

Although these two heifers differ in type and size, it is very difficult for us to decide which one we like better. Therefore we are going to offer you choice and let you decide which future donor prospect you would like to add to your Simmental herd.

MWW	72.0			

Granger is a fancy full Fleckvieh polled heifer sired by Kindred Spirit Glasgow 8D, a polled Ultra son. She comes from one of our most productive cow families going back to "Mandia" on the bottom half who is the poster child for longevity. Granger's dam is a moderate framed, deep bodied cow with a very tidy udder. She is a heifer with some power in her background and is sure to raise the good ones for her new owners. Bred to Ezana, who has sons working for Anchor D Simmentals and Black Gold Simmentals, you can expect an awesome calf loaded with potential, and a chance of being homozygous polled as a bonus. Exposed to Kindred Spirit Ezana 1C on April 10, 2020. Preg-checked on September 8, 100 days safe in calf. Due March 11, 2021.

MWW	77.0			

Juno has been a pasture favorite all summer, and one we had a tough time putting in the sale for that very reason. She comes from one of our top cow families. Her dam, "Mandia" was a hardworking, easy-doing female with an excellent udder. Juno was the last calf "Mandia" had; not bad for a 17-year-old cow! We've kept all her daughters and feel it's time to share the wealth here. Juno is a beefy, attractive heifer with a friendly, easy going nature. If you are in the business of raising herd bulls, then Juno is definitely worth your consideration. Bred to the calving ease Anchor D Outlook, should make for an exciting calf. AI bred to Anchor D Outlook on March 31, 2020. Exposed to Kindred Spirit Ezana 1C from April 10 to May 23, 2020. Preg-checked May 22nd, safe to AI date. Due January 9, 2021.

MWW	63.4			

Ginny is a well-balanced moderate framed female, sired by our heavily used calving easy herd sire Ezana. Her naturally quiet, good uddered dam was purchased at The Source in 2015 from Black Gold and is a herd favorite. Ginny has a good temperament and is setting up a nice udder. We feel she will be a consistent producer for her new owners. She is bred to Kindred Spirit Creed 21E, a cherry red, calving ease Shawacres Preemo son to give a little twist of genetics for the calf that we feel will have a lot of potential.

AI bred to Crossroad Polled Future March 31, 2020. Exposed to Kindred Spirit Creed 21E from April 13 to June 8, 2020. Observed bred May 1. Preg-checked June 8th, safe to observed breeding. Due Feb 9, 2021

If you're wanting a little more performance in your herd, this heifer will give you that. Glory is a dark red, goggled heifer with a strong pedigree going back to "Ms. Minot" who is currently the oldest cow in our herd and still very productive. Longevity and performance are the corner stone of Glory's pedigree. She is very feminine and smooth made. This stylish heifer should not be overlooked on sale day. Again, bred to Kindred Spirit Creed 21E who should give you a solid, cherry red calf.

AI bred to Anchor D Outlook on April 2, 2020. Exposed to Kindred Spirit Creed 21E from April 13 to May 23, 2020. Observe bred April 25. Preg-checked May 22nd, safe to observed breeding. Due Feb 3, 2021.

MCE	-0.6	MISS SHAWACRES LERATO 17L MFL GRETA 3G		
MWW	62.6			

Heriot is a larger framed, powerful female. A solid cow family backs her, coming from an 11-year old dam, "Razzie," who has produced another great calf this year. "Razzie" is a staple in our donor program and the dam to our consistent herd sire, Ezana. With Glasgow on the top end, a solid red powerful bull, Heriot's pedigree really is at the top of our program. She is bred to Anchor D Outlook and we think these two complement each other very well. If you want to add power and frame, this is the female for your program.

AI bred to Anchor D Outlook on March 31, 2020. Exposed to Kindred Spirit Creed 21E from April 13 to May 23, 2020. Preg-checked May 22nd, safe to AI date. Due January 9, 2021

At Westhill Ranch our bulls and females are raised and bred to be productive, sound, long lasting animals that contribute for years to come. We feel that Dream Girl fits these requirements to a "T". 58H is sired by WFL Westcott who needs little introduction and has done wonders in our herd. Dream Girl's dam, Mader New Girl 75C, was purchased from Mader Ranches in 2016 as a bred heifer. She has consistently raised us both bulls and heifers that rise to the top of their respective pens quite easily. You have to admire Dream Girl's length of body along with an outstanding hair coat. This is a very tough heifer for us to see leave the farm but we can't wait to see how this female grows into a productive cow for her new owners.

73H is another embryo success story that came out of a flush we did back in 2017 with McIntosh Divine 29C and LFE The Riddler 323B. Both the bulls and heifers that came out of this flush have been outstanding. The females have been easy keeping moderate framed cows with great udders and a solid foot underneath them. The bulls from this flush have always been eye catching meat machines that get out to breed cows for their ranches. Right from day one we knew that Divine 73H was going to be something special, with her calm disposition and overall appeal. We feel there are endless opportunities for this great heifer we can't wait for her to produce calves on her new ranch. Divine 73H is also Homo Polled and Homo Black!!

Hope is a black blazed face sweetheart of a heifer that is hard to fault. Big hip, ample length and plenty of rib all put together in a very feminine package. Her dam, 32C, is highly respected on our farm, as she raised the highest selling bull calf at out sale in 2019 and raised a full sister to Hope the following year that we have retained on the farm. She is also in line to be flushed this spring which will be only the second cow we have ever flushed. I am anticipating the same performance out of 98H. After raising a few calves out of her she might end up in your flush program.

This Ladies Man female came in her Lotto dam last fall. Once again a great line up of proven female making genetics in this fine female. She has brood cow written all over her and will possess a very nice tidy udder as these predictable genetics dictate. Buy with confidence as this is a can't miss pedigree!

Here is a homo black, homo polled blazed face fancy Equity bred female. This heifer has some show potential and that's not the best part of her. She poses great depth of body, great neck extension and a presence that demands attention. Her mother CSC 16F dropped a perfect udder last spring and has done an amazing job on this first round of production. So juniors be aware, this female could not only hang you a banner but also put some great profits in your college fund for years to come! Homo Black and Homo Polled by pedigree

## 41 KWIATKOWSKI COMMERCIAL *Bred Heifers*

### 40A: Three Black Baldie Bred Heifers

Kwiatkowski Cattle is a 200 cow calf operation that has been a Simmental influenced herd for 15 plus years. Five years ago we started running purebred Simmental cows. Every year we keep around 30 heifers to use for replacement animals to keep our herd young and easy to handle. This year we decided to down size the herd due to loss of pasture, so when the Source Sale gave us the opportunity to consign some of our heifers we took them up on it. The heifers we are offering would be some of the heifers we would keep for our replacement animals.

These six heifers were exposed to a Red Angus heifer bull on May 10 to June 5, 2020 and then brought to Olympic Lake community pasture, where they were ran with Angus bulls.

### 40B: Three Red Baldie Bred Heifers

## Terms & Conditions

**TERMS & CONDITIONS** The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made prior to the sale. The right of property shall not pass until after settlement is made. First Class Cattle Marketing reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should the purchaser fail to settle for his purchase, First Class Cattle Marketing reserves full power to resell the animal to the best advantage, either publicly or privately, without further notice. Any loss arising from such resale, together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. The owners, First Class Cattle Marketing and sale staff have the right to refuse bids from anyone who has a previous record of default in payment and/or who has not made prior credit arrangements prior to the sale with the owners and/or Sale Management.

**EXCHANGE** Foreign exchange rates will be announced at the beginning of the sale.

**BID** Every animal consigned to the sale must be sold by auction. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

**DISPUTES** In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

**PURCHASER'S RISK** Each animal becomes the risk of the purchaser as soon as sold.

**ANNOUNCEMENTS** from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

**CERTIFICATE OF REGISTRY** The proper Registration of Recordation paper, as the case may be, will be duly transferred and furnished to the buyer for each animal after settlement has been made.

**SHIPPING** Assistance will be given in making shipment after the sale, but Sale Management or Seller assumes no risk. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instruction when making settlement.

**GUARANTEE** All animals will carry standard breeding guarantee as specified by the applicable Canadian breed Association. At no time shall the seller's liability exceed the purchased price of the animal.

**EXCEPTION TO GUARANTEE** In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void. In the cases of bulls, they are guaranteed to breed naturally according to applicable Canadian breed Association guarantee, but no guarantee is given that semen from any bull will freeze.

**HEALTH** It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. First Class Cattle Marketing assumes no responsibility for the health status of any animal in the sale.

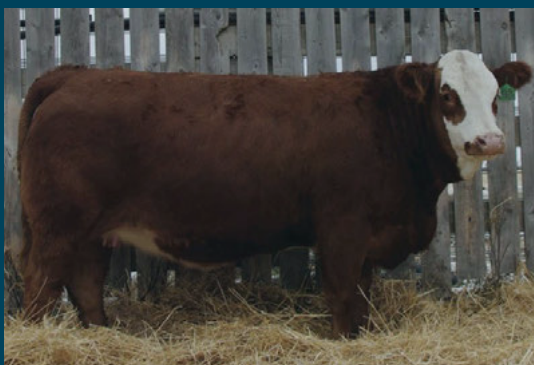

**ACCIDENTS** Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sale Management, auctioneer, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

**RIGHTS AND OBLIGATIONS** The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and the terms and conditions of this sale do not cover obligations of the two parties connected thereto.

**First Class Cattle Marketing IS AGENT ONLY** It is clearly understood that First Class Cattle Marketing acts only as agent between buyer and seller and is not in any way responsible for any failure by either party to live up to his or her obligations. First Class Cattle Marketing does not assume any financial obligations to collect or enforce collection of monies by either parties, and in exceptional case, any legal action will be between buyer and seller. First Class Cattle Marketing Ltd has no ownership of the facility and assumes no responsibility for the operation of said facility.
