BULL & HEIFER SALE

Shorthorn and Angus

March 18/19, 2022
online with farmgatetimeductions.ca

welcome

to the Alberta's Finest Sale

We would like to thank past bidders and buyers and hope you enjoy this years' offering!

Baehr Acres Shorthorns originated from cows purchased from Baehr Brothers Shorthorns of Hixon, BC. Our consignments this year are all descendants of our foundation cows and we believe that they will work for anyone. They are 100K tested and free of any genetic defects.

Holman Valley Shorthorns is pleased to offer our strongest set of bulls from great genetics to date. These bulls will work in your program and we are excited for you to give them a try. All bulls are defect free and 100K tested.

Prospect Hill, along with our grandchildren, are pleased to offer these bulls we have backgrounded. Red, white, or roan, there is a bull for everyone and you can buy with confidence! As always, feet, legs, and longevity are important to us. Bulls are all 100K tested and defect free.

Starstruck Livestock is proud to be a part of the 2nd Alberta's Finest bull and heifer sale. On offer this year is Galahad 16G semen. I was proud to show this bull this Fall and I hope that you want to include some Galahad in your program. He sure is a program enhancer!

Trieber Farms feel very honoured to be consignors in this years' edition of Alberta's Finest. Fred, Naomi, Cole, Cody, and Chelsey feel that all consignors have an incredible selection of bulls for every program and every budget. We have chosen a select few bulls and females that would be a great addition to any cattle program. Feel free to give any of the consignors a call to discuss the bulls or visit anytime to any of the farms. Make sure to mark down the sale dates on your calendar.

on behalf of the alberta's finest consignors

Thank you and Enjoy!

HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

JOIN US ONLINE www.farmgatetimeductions.ca

Timed Auctions Made Easy

SALE OPENS Friday, March 18 at 9:00AM CST

RACEHORSE CLOSE-OUT begins Saturday, March 19 at 6:00PM CST

1. Visit www.farmgatetimeductions.ca, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your user name and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.

2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.

3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.

4. At closing time of the sale the entire sale will extend bidding for 5 minute if a bid is placed on any lot in the sale. Any bid received after 6 PM will extend the sale by 5 minutes from the time of that bid. When no bidding occurs for 5 min the computer will declare the sale finished.

5. Within 24 hours of the sale close the Alberta's Finest Sale group will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot.

If you require assistance with using the new DLMS Farm Gate web site, if you don't understand how to create a favorites list, if you can't figure out the proxy bid or you just plain want to bid via phone, please talk to any of the DLMS team or Sale Consignors.

WHAT IS RACEHORSE STYLE SALE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORK? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

Prospect Hill Hendrick as a calf

Owned by 6 year old, Kingsley, who halter broke him and showed him as a calf. He is a stout, dense, handsome stud! He comes from a really good cow, she got from Grandpa and Grandma when she was two.
