

SIMMENTAL BULL & FEMALE SALE
December 14 to 15, 2021 hosted on DLMS Farmgate

Welcome

I have dreamed of having a bull sale for many years and here it is. I may be small on numbers However I believe the quality is there from top to bottom. Quality calving ease and performance black bulls backed by tremendous cow families, that are bred and raised to increase your bottom line under ranch conditions. The open heifers selling are the herd building type. Excellent footed, stout, broody heifers backed by proven donor cow families.

For those of you who don't know me I am a 1st generation rancher. My parents did not come from a farming/ ranching background. I have learned from, and been taught by some great mentors in the industry, both commercially and purebred seed-stock. I run a 30 head purebred and commercial herd in south central Manitoba. I have been growing and expanding since my first female purchases back in 2011. There have been many ups and downs. Lots of hard lessons learned. One thing has stuck out most, investing in proven genetics and quality cattle pays. With profit margins getting tighter, and the ever rising expenses it is sure nice to have your calf crop wean off heavier, and have better replacement heifers in the pen. This equals more dollars in your pocket. The best way to do that is breed your good cows to good bulls.

I would like to invite you to attend our open house November 28 noon till 5pm to view the cattle. There will be burgers and refreshments sponsored by Gen Ag, Portage La Prairie our local Kubota dealer. If you would like to view the cattle at another time please give me a call.

If you are unable to view the cattle yourself or would like someone to bid on your behalf, I encourage you to contact any of the First Class Cattle Marketing team as they are familiar with the offering and DLMS Farmgate timed auction platform.

I would like to thank everyone who has helped me get to where I am today. It wouldn't have been possible without you, friends, previous customers and family. A big thanks to my parents who have spent countless hours in the barn getting the sale cattle ready while I have been on the road this fall. Thanks for taking the time to view the offering and I look forward to visiting with you in the future. I wish you a Merry Christmas and Happy New Year and all the best in 2022.

Sincerely
Jonathan Karsin

WELCOME FROM FIRST CLASS CATTLE MARKETING

Welcome to the First Annual Karsin Farms Bull & Female Sale. It is with great pleasure that we are working with Jon and family on this inaugural event. The Karsin cow herd although small in numbers, lacks absolutely nothing in quality. Jon has been very particular in the genetics he brings into his herd and it shows up in the depth of quality of his sale offering. From sire selection through either AI or walking herd sires as well as females purchased and brought into the herd, every genetic decision is made for a very good reason. Jon also has an extensive embryo transfer program that has taken his herd to great new heights.

I encourage you to call Jon directly to discuss his offering with him, and if possible please plan on scheduling an on farm tour with him. This offering truly needs to be seen to be appreciated at its fullest! All of us at First Class Cattle Marketing will be very familiar with this set of cattle and it will be our pleasure to assist you in a professional and confidential manner with the purchase of your next herdsire or female. Mark Shologan with DLMS Farmgate Timed Auctions is also listed in the catalogue should you need any assistance in setting up an account or to bid on the cattle. I hope I can visit with everyone up and down the sale road and wish you all a very successful fall and show season!

Sincerely,
Darnell Fornwald

Instructions how to sign up and bid on Farmgate found
on page 14 in the catalogue

TERMS OF BULLS

Bulls are guaranteed to pass semen test within one month prior to delivery if bull(s) are wintered at Karsin Farms. If the buyer chooses to take home their purchased bull(s) for winter Karsin Farms does not guarantee the bull(s) to pass semen test. Should a bull fail to pass semen test buyer will be refunded full purchase price. Bulls will be wintered free of charge until April 15, 2022. After that date a charge of 3\$ per day/head will be applied unless prior arrangements have been made. All the bulls were scrotal measured November 8th by Morden Vet.

HEIFERS

All heifers have been palpated by the vet as well.

OPEN HOUSE

November 28 at the farm from 12 noon to 5:00 pm.

DELIVERY

Call Jonathan to discuss delivery options.

SEMEN RIGHTS

Karsin Farms reserves the right to in herd use semen collection on any bull in the sale at the buyers convenience and sellers expense.

Kubota Skid Steer Testimonial

I would like to thank Kubota and Gen Ag Portage for sponsoring our open house. Dylan Webber the Kubota salesman from Gen Ag was very helpful and knowledgeable when I purchased my SVL 75-2 Kubota skid steer. The SVL 75-2 has made a huge difference in everyday work on the ranch. It's versatility, ease of maintenance, affordability and durability is extremely valuable on day to day operations on the ranch. If you are in need of a new piece of Ag equipment I encourage you to get in contact with Dylan and discuss all Gen Ag has to offer. *Check out the Kubota ad on the Inside Back Cover!*

MRL MISS 6725D

Polled Purebred • MRL 725D • 23 Jan 2016 • BPTG1184014

Here is the matron of my program MRL Miss 6725D. When I first laid eyes on "Miss" at MRL in 2016 I knew I had to own her. Her shear power and mass yet still feminine up in her front third and not to forget her foot. I have never before seen a foot that big and square on a heifer calf. Not to mention the powerful TSN 55W donor cow as her dam, who needs no introduction as she's raised as many high dollar herd bulls in the country as any cow in the breed. Miss was a many time champion throughout the summer show road in 2017 winning many jackpots and being admired by most. In 2018 I flushed her to the great Missile bull which resulted in two beautiful replacement females and a bull who sold to a lifetime friend Gilles Legault. In 2020 I flushed her again to the extremely popular IPU Bentley 81F bull which resulted in lots 1 and 2. Miss just clicks with every bull I breed her to, come for a tour and I will show you her countless daughters in the herd. I just couldn't bring myself to part with any of her daughters so the only way you will be-able to have her impact your program is through one of her three sons selling.

Dam of lots 1 to 3

Here are a couple of stout, wide topped, big footed, hairy cowboy type bulls. These two brothers have stood out from the day they were born. Look for these bulls to sire moderate birthweight calves with exceptional growth that will press down hard on the scales come fall time. Sired by the powerful Bentley bull who is proving his worth in his first couple calf crops and mothered by the matron of my herd, these bulls have the power in person and on paper to

The natural calf off "Miss" and my walking herd bull Double Bar D Bankroll 408F. "Bankroll 408F" was my pick at the Double Bar D sale a few years back, he himself was very well accepted in the show ring winning many banners throughout the summer show road. This bull has a ton of middle to him, walks on a big square foot and has a ton of hair. His sire is a female maker. This year I will be calving out his first group of daughters. To say I am excited would be an understatement. They are beautifully fronted, huge deep middled females with perfect feet and udder development. If your looking to increase the maternal in your herd have a good look at this fella, he has all the cards to do it.

Heifer bull. Perhaps the most intriguing individual in the sale. A bull that has had a special look about him from day one. Sired by LFE Night Hawk, a bull who I have bred my heifers to the past couple of years with great success. When I saw the first Night Hawk calf crop I knew I needed to use him. The calves come so small, have awesome vigour, grow like a bad weed and have tremendous poker strait hair coats. When selecting a heifer bull I find you really have to analyze the bull structurally and genetically because there are too many factors to just look at the birthweight. That being said KFJ Apache 7J has a small head which transitions into a smooth narrow shoulder, combine that with his finer bone structure and his proven calving ease genetics paternally and maternally. You then have the perfect heifer bull candidate. Apache 7J is mothered by an extremely hard working first calf Alliance daughter. If you need some heifers bred but don't want to sacrifice weight come weaning, Apache 7J is one that will fit the bill.

Here are two full sister ET heifers sired by the ever popular Profit bull and the highly proven Reba donor cow. MAF Reba 250B may be one of the best females Meadow Acres have ever sold. When I saw her at Checkers in 2019, she walked on a huge square foot, powerful deep stout brood female with a flawless udder. I knew I wanted to incorporate her genetics into my herd. KFJ Reba 8J and

BW	WW	CE	BW	WW	YW	Milk	MCE	MWWT

Terms and conditions

TERMS & CONDITIONS The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made prior to the sale. The right of property shall not pass until after settlement is made. First Class Cattle Marketing reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should the purchaser fail to settle for his purchase, First Class Cattle Marketing reserves full power to resell the animal to the best advantage, either publicly or privately, without further notice. Any loss arising from such resale, together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. The owners, First Class Cattle Marketing and sale staff have the right to refuse bids from anyone who has a previous record of default in payment and/or who has not made prior credit arrangements prior to the sale with the owners and/or Sale Management.

EXCHANGE Foreign exchange rates will be announced at the beginning of the sale.

BID Every animal consigned to the sale must be sold by auction. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASERS RISK Each animal becomes the risk of the purchaser as soon as sold.

ANNOUNCEMENTS from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY The proper Registration of Recordation paper, as the case may be, will be duly transferred and furnished to the buyer for each animal after settlement has been made.

SHIPPING Assistance will be given in making shipment after the sale, but Sale Management or Seller assumes no risk. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instruction when making settlement.

GUARANTEE All animals will carry standard breeding guarantee as specified by the applicable Canadian breed Association. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void. In the cases of bulls, they are guaranteed to breed naturally according to applicable Canadian breed Association guarantee, but no guarantee is given that semen from any bull will freeze.

HEALTH It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. First Class Cattle Marketing assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sale Management, auctioneer, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and the terms and conditions of this sale do not cover obligations of the two parties connected thereto.

First Class Cattle Marketing IS AGENT ONLY It is clearly understood that First Class Cattle Marketing acts only as agent between buyer and seller and is not in any way responsible for any failure by either party to live up to his or her obligations. First Class Cattle Marketing does not assume any financial obligations to collect or enforce collection of monies by either parties, and in exceptional case, any legal action will be between buyer and seller. First Class Cattle Marketing Ltd has no ownership of the facility and assumes no responsibility for the operation of said facility.

Timed Auctions Made Easy

JOIN US ONLINE WWW.FARMGATETIMEDACTIONS.CA

SALE OPENS TUESDAY, DECEMBER 14 AT 10AM

RACEHORSE CLOSE-OUT BEGINS WEDNESDAY, DECEMBER 15 AT 7PM

HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit www.farmgatetimeductions.ca, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to signup for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your user name and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.
2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.
3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.
4. At closing time of the sale the entire sale will extend bidding for 5 minute if a bid is placed on any lot in the sale. Any bid received after 6 PM will extend the sale by 5 minutes from the time of that bid. When no bidding occurs for 5 min the computer will declare the sale finished.
5. Within 24 hours of the sale close the Sale Manager, First Class Cattle Marketing will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot.

If you require assistance with using the new DLMS Farm Gate web site, if you don't understand how to create a favorites list, if you can't figure out the proxy bid or you just plain want to bid via phone, please talk to any of the DLMS team or Sale Consignors.

WHAT IS RACEHORSE STYLE SALE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORK? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.
