WELCOME TO THE SALE

from First Class Cattle Marketing

Welcome to the 2021 edition of Shades of the Prairies Simmental Sale. As we all know this year has again had it's difficulties, especially when dealing with the Covid 19 virus. With new mandatory vaccinations becoming the "norm" for any function in Manitoba, as well as new regulations and the possibility of more lockdowns looking inevitable, we have made the very difficult decision to once again go to a "Timed Auction" through the DLMS Farmgate platform. We will be having an open house at Vandeveld Cattle on the Friday and Saturday. The cattle can be viewed at anytime but please stop by for some hospitality on Saturday before close out. The majority of the cattle will be onsite for your appraisal. Keep in mind that limited people may be allowed to view cattle at each given time and social distancing must take place as we will not be checking vaccines whatsoever. Hand sanitizer and masks will be available for your protection. I would personally like to thank all of our Shades consignors and staff that stuck with us through these uncertain times.

One thing that has not changed for 2021 is the quality of the Shades offering. Although a few less numbers this year than usual, this could be the deepest set of Shades cattle offered to date as far quality. On offer this year is a very impressive herd sire prospect, powerful bred heifers and fancy heifer calves, as well as exciting picks and frozen genetics. The consignors have dug extremely deep to offer you a set of Simmental cattle that they can truly be proud of. Please bid and buy with the upmost of confidence as these cattle are the right kind.

If you are unable to attend the open house for viewing, please feel free to contact anyone of the consignors personally to discuss their offering. The entire staff at First Class Cattle Marketing will also be very familiar with the cattle and it will be our pleasure to assist you in your purchase. Mark Shologan's number is also listed in the book if you need any assistance with internet bidding. I wish you all the best for the rest of 2021 and hope you all have a very Merry Christmas.

Respectfully,
Darnell Fornwald

Past sale females from Diamond R

1 Pick of the 3/4 blood or half blood heifer calves at Diamond R Stock Farm

After last years warm invitation to Shades we wanted to bring something exciting this year! We couldn't decide so we are going to let you decide for us! We are selling pick of any registered half or 3/4 blood 2021 heifer calves. These heifers are all red and a few blaze faces. They are sired by J Star Red Ace 909G (a Harvie Red Summit son) and Prairiewind Jury 40G (grandson of KWA Lawmaker 59C). Red Ace was purchased on the merit of his beautiful dam, together they won Expo Boeuf and were Reserve Senior Champion Female at the Toronto Royal in 2019. Jury was Prairiewinds high selling Red bull at the Proudly Western Bull Sale 2020. We loved his pedigree and his structure. SVS Absolute 508C came our way from our close friends the McCormack (MFR) family. When we got caught with a herd bull down the McCormack's came to the rescue as a result we have some fancy April heifer calves available in this group. 508C comes from the Jenna cow family. He is a calving ease specialist!

Whether your looking for a fancy show heifer or just a great future brood matron we just may have what you are looking for!!!

Selection to be made by February 1, 2022.

2 Pick of the Open Crossroad Connected 2021 born females

Maple Lake Stock Farm is offering pick of their open Crossroad 2021 born, females. We are pleased with Connected for calving ease, performance and temperament. We are looking forward to what these females will do for our program. We are willing to part with one, if you want to add our proven genetics to your program. Performance, calving ease and maternal characteristics are valued in our program. Cow families run deep in our herd. We have very consistent pedigrees with strong maternal traits, calving ease and outstanding performance.

Dams of these calves are high performance females, sired by LER 786T, LER 343A, Swagger, LER 122Y High Voltage, Tailgater, Hoc Broker, Reno DLH 8R.

The Dark Web is a royally bred calf that will command the attention of even the most critical of cattlemen. He is a result of crossing the \$100,000 Crossroad Connected with the \$30,000 Circle G Red Magic and we could not be happier with the outcome. He is tremendously stout and attractive through his front end, walks at top of a perfect foot and has that flawless presence that we have all been searching for in a bull with this much natural power. It is extremely rare to find a bull calf with this much quality and depth of pedigree topped off with a blaze face. Do not miss this opportunity for a great herd sire that checks all the boxes, as they do not come often. On December 11th, venture down into "The Dark Web." Homo Polled Hetero Black

Selling full possession and 3/4 semen interest. White Rock Ranch will winter and develop the bull and guarantee a passed semen test by 15 Months of age for \$500.00 due at settlement, insurance is highly recommended, buyer assumes all risk if insurance is declined.

Night Hawk 142H Lot 4

This will be the first Night Hawk bred heifer we will have sold. The first set of Night Hawk daughters just weaned their first calf and they do an impressive job. They are moderate framed, easy doing type of cows that get the job done. TSN 142H has lots of volume, middle and top and is setting up an excellent udder. She is bred to Proclamation, we have used this sire on our Night Hawk daughters and it seems to work well.

AI bred to WS Proclamation E202 April 18, 2021. Exposed to HF Free Spirit 49H (Angus) from May 1 to 31, 2021. Vets opinion safe to AI

HOMO POLLED – Here's a heifer that has been a standout from a young age. Heather is a big bodied female that has lots of thickness. She moves well and is structurally correct. Her dam has done an exceptional job for us. She is also a big bodied feminine female with a beautiful utter. She's carrying an exciting service to LFE Night Hawk for an early January calf.

AI bred to LFE Night Hawk 3013D on March 21, 2021. Vet confirms safe to A.I.

Heather 40H Lot 7

Amanda 76H Lot 8

VDV Amanda 76H is a more moderate framed heifer that has a very smooth front end and lots of eye appeal. Her dam was bought out of the Spring Creek program as a heifer and is a top producing cow here at Van de Velde Cattle, she has many daughters in production including our 2019 high seller to Corey Desrochers of Mariapolis, Manitoba. Look for an exciting calf from her this January sired by the great WS Proclamation!

Ramona 41H Lot 12

This is a solid female, Immortal genetic power here and bred to one of the new wave sires. We purchased a package of 8 embryos from Bouchard Livestock and this is our last of 7 pregnancies. Only two females out of the seven. We retained one and are offering this one to you. Crosby and Ramona, bred Annuity. This female has great length of body, is dropping a beautiful udder just as her sister did and she will raise you some easy selling progeny. We had planned on keeping her as she is calving the first week of January and hadnt had her in on feed. Just pulled her in a day before picturing. She has loads of hair, great feet and is ready to work. Buy with confidence here as this mating is already working at Ashworth Farm and Ranch, and Mader Ranches. **AI bred to Annuity on March 28, 2021. A very powerful heifer out of our hersire bull MRL 51C and off a productive cow family. Harley is a solid, broody heifer with the traditional body style, deep sided and full of muscle.
AI bred to WS Epic on April 3, 2021.

Harley 17H Lot 15

J Lo 28J Lot 16

We have decided to offer another great open heifer off our Deeg Ms Hollywood. We have had great success with Hollywood's offspring in and out of the show ring since we bought her in the Friday Nights Lights sale. J-Lo comes from a strong maternal genetic and we are excited her sire is Erixon Lad 29G our War Paint herd sire. Here's a heifer with great depth, well muscled with lots of style. This heifer would work great as a show female or if your looking to add a strong female to your herd that will go out and make you some great females or bull.

We are very excited to be consigning this heifer to this elite sale. Sugar is a deep ribbed smooth moving female with lots of style. This is our first calf crop of of LFE Game Face and we couldn't be more excited about the females and the bull calves he gave us! Sugar comes off a second calver we purchased from Sun Rise Simmentals.

Here is a long bodied, perfectly blaze faced Connected daughter. Her dam was purchased from Jimmy Grant through Checkers and has a picture perfect udder. 156F is also very clean fronted and has passed that on to her daughter. Lots of eye appeal in a super blazed package with a nice set of EPDs to boot!

Next Century Lot 33

Simply put, Wheatland Next Century is the most complete Simmental breeding piece that we have seen in years, maybe ever. The bull himself is flawless in his phenotype. He is powerful, blood red, flawless on the move, extremely stout, extremely long bodied, and walks at top of a perfect foot. Definitely a bull that impresses even the most critical of cattle producers. Next Century is an individual that is incredibly difficult to fault but what makes him truly great is the cow families that behind him on both sides of his pedigree. When Riley toured us it was absolutely astounding how many great cows were directly related to Next Century with his mother and paternal grand mother being 2 of the very best cows we have seen in the Simmental breed. Connected was one of the most talked about bulls in 2020 we purchased him from Crossroad Farms with Swan Lake Farms and Cornerstone Cattle Co for \$100,000. Connected is one of the stoutest, biggest middled, black blaze faced bulls we have seen in years but still shows an incredible amount of structural soundness and walks at top of a perfect foot. Reports on Connected say that the calves come easy and have a ton of vigour and grow to them. Many producers that used Connected are telling us that they are the stoutest calves they have ever raised, have a ton of look and overall performance and are simply the very best calves in their pastures. HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit www.farmgatetimeductions.ca, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your user name and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.
2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.
3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.
4. At closing time of the sale the entire sale will extend bidding for 5 minute if a bid is placed on any lot in the sale. Any bid received after 6 PM will extend the sale by 5 minutes from the time of that bid. When no bidding occurs for 5 min the computer will declare the sale finished.
5. Within 24 hours of the sale close the Sale Manager, First Class Cattle Marketing will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot.

If you require assistance with using the new DLMS Farm Gate web site, if you don't understand how to create a favorites list, if you can't figure out the proxy bid or you just plain want to bid via phone, please talk to any of the DLMS team or Sale Consignors.

WHAT IS RACEHORSE STYLE SALE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORK? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

Terms & Conditions

TERMS & CONDITIONS The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made prior to the sale. The right of property shall not pass until after settlement is made. First Class Cattle Marketing reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should the purchaser fail to settle for his purchase, First Class Cattle Marketing reserves full power to resell the animal to the best advantage, either publicly or privately, without further notice. Any loss arising from such resale, together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. The owners, First Class Cattle Marketing and sale staff have the right to refuse bids from anyone who has a previous record of default in payment and/or who has not made prior credit arrangements prior to the sale with the owners and/or Sale Management.

EXCHANGE Foreign exchange rates will be announced at the beginning of the sale.

BID Every animal consigned to the sale must be sold by auction. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASERS RISK Each animal becomes the risk of the purchaser as soon as sold.

ANNOUNCEMENTS from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY The proper Registration of Recordation paper, as the case may be, will be duly transferred and furnished to the buyer for each animal after settlement has been made.

SHIPPING Assistance will be given in making shipment after the sale, but Sale Management or Seller assumes no risk. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instruction when making settlement.

GUARANTEE All animals will carry standard breeding guarantee as specified by the applicable Canadian breed Association. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void. In the cases of bulls, they are guaranteed to breed naturally according to applicable Canadian breed Association guarantee, but no guarantee is given that semen from any bull will freeze.

HEALTH It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. First Class Cattle Marketing assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sale Management, auctioneer, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and the terms and conditions of this sale do not cover obligations of the two parties connected thereto.

First Class Cattle Marketing IS AGENT ONLY It is clearly understood that First Class Cattle Marketing acts only as agent between buyer and seller and is not in any way responsible for any failure by either party to live up to his or her obligations. First Class Cattle Marketing does not assume any financial obligations to collect or enforce collection of monies by either parties, and in exceptional case, any legal action will be between buyer and seller. First Class Cattle Marketing Ltd has no ownership of the facility and assumes no responsibility for the operation of said facility.
