Tuesday
MARCH 2, 2021
GRENFELL, SASKATCHEWAN

Welcome From Double Bar D...

A heartfelt welcome to our 21st Annual Bull Sale, Tuesday March 2, 2021.

We sincerely thank you, our customers, both past, present and future for your support in our program, for without you, this event would not be possible. We, here at Double Bar D continually put our best foot forward in trying to improve our genetic seedstock to share with you, our valued customers.

We also want to extend a sincere thank you to our entire farm family, and farm and ranch staff for your dedication and hard work. It is truly appreciated.

We are pleased to offer you this year, our very best bulls that are easy moving and ready for your appraisal to meet your herd bull needs. Our bulls are raised with longevity in mind and develop slowly on an oat grain and corn silage based ration. Also, our Age Advantage bulls are brought on slowly as they graze the pastures in the summer months and have been worked with and been tie broke in the spring and summer of 2020.

This past year has definitely come with its challenges but I feel we, as stock producers, are arguably in the best occupation to be in during this time. Our beef continues to be in high demand and the future looks strong for our industry.

We strive to source the best genetics to offer you and concentrate on raising bulls with above average calving ease coupled with above average performance.

Thanks to all of our sale staff: T Bar C Cattle Company, First Class Cattle Marketing, Bohrson Marketing and especially DLMS as their service is invaluable.

I also, for the second year, would like to welcome Longview Cattle Co. with their contribution of Angus and Simmental bulls.

See you on Sale Day!

Ken Dimler

Hired some extra sale day staff

From The Desk At T Bar C...

Welcome to the 21st Annual "Best of Both Worlds" Bull Sale on Tuesday, March 2, 2021, at the ranch, just off Highway #1, Grenfell, Saskatchewan. This annual event for the Dimler Family, Double Bar D Farms has been the source of high standard breeding stock for decades in the purebred and commercial sectors throughout the world. For this multi-generation family, crops, soil, and livestock is their specialty and they are masters in these fields. We also welcome Longview Cattle Co., friends, and neighbors as guest consignors to this exciting spring sale.

The 2021 lineup is powerful and exciting in all classes of bulls offered. They are sired by the newest and freshest genetics in the marketplace and out of one of the most prolific cow herds in the breed. Over the years in building this great cow herd, the aim was performance and ease of production... calving ease, fault free udders and lots of milk. For these specific reasons, you will find many bulls with uniformity and disposition. Simply put... they have taken out the risk and added value to their customer's bottom line whether it be at calving, at weaning, as yearlings or in your pasture as replacements.

The purebred division is full of breeder quality opportunities. This is the largest offering of sires from the transplant program out of their predictable donors. Rarely can one get a chance to select from this many full brothers at one time. The purebreds, both red and black, are full of performance, have tons of hair and testicle, sound of foot and limb and for the most part are full of calving ease. Virtually all are homozygous polled and many homozygous black.

The Fleckviehs come to you thick and rugged... both polled and horned; ready to add pounds to your calf crop at weaning. The genetics offered are diverse, therefore the wide selection gives you, the customer, an opportunity to find the right sire as an outcross in your program.

The "Age Advantage Bulls" are always a feature both purebred and fullblood. These bulls are born on grass, raised on grass and will cover more cows and more ground. High in performance and very sound, they have a high degree of longevity bred in. The Angus and Sim-Angus bulls offer calving ease and high maternal values without sacrificing performance.

The folks at Double Bar D have done the homework for you... so plan to be with us on the first Tuesday in March for one of Canada's feature livestock events. Feel free to stop at the ranch anytime prior the sale and view the offering... I am sure that Ken and Logan would like to show you the mothers or give them a call to discuss the bulls and your breeding requirements.

During these times, feel free to call anyone on our T Bar C team to discuss or purchase any of the cattle offered. We have graded each individual and will be pleased to assist in a professional and confidential manner.

INFORMATION**SALE ACCOMMODATIONS:**Blue Crescent Hotels: Legacy Inn, Grenfell 1-639-683-0107
grenfell@bluecrescent.ca**DELIVERY:**

- Free delivery in Western Canada to central points [Alberta, Saskatchewan, Manitoba] when arrangements have been made prior to May 1. Please indicate at settlement when you are needing the cattle. Cattle must be insured by purchaser. Double Bar D will keep bulls free of charge until May 1. After May 1, a daily cost of \$5 per day will be charged.

- All other locations at cost

- For US customers, delivery and export will be done at cost to the purchaser.

- \$100 per bull discount for purchasers taking their bulls on sale day.

SEMEN INTEREST:

Double Bar D Farms, reserves the right to draw semen on any bull in the sale. Semen to be drawn at the seller's expense and buyer's convenience and will be used for in-herd use only.

CATALOGUE PRODUCTION by Today's Publishing Inc.**VIEW & BID ONLINE:**

DLMS.ca

VIEW THE CATALOGUE AND VIDEOS ONLINE

WWW.BUYAGRO.COM**Double Bar D Warranty**

All bulls born prior to January 1, 2020 will be semen evaluated and have passed the test by a licensed Veterinarian. 2019 born bulls will have a physical breeding soundness exam and deemed likely to pass a semen evaluation. Please indicate when you need your bulls. All bulls will be semen tested prior to shipment. We encourage you to buy insurance on your newly purchased bull to protect your investment. Insurance agents will be available on sale day. If your bull or female should fail to be a satisfactory breeder, he or she will be replaced with a bull or heifer of equal value. If this cannot be agreed upon, an adjustment will be made or a credit will be given towards the purchase of another one of our animals.

Please check your animal frequently and contact us early if you have any questions or concerns. Double Bar D Farms will not be responsible for any financial loss above the purchase price of the animal. Double Bar D Farms will not cover the loss of an animal that has been mismanaged or physically injured, however, we will assist you in providing another bull to use if needed. We always have back-up bulls available. In cases where a heifer has been subjected to any hormonal or surgical reproduction techniques following the sale, warranty shall be null and void.

21ST ANNUAL BEST OF BOTH *Worlds* BULL SALE

Tuesday
MARCH 2, 2021
GRENFELL, SASKATCHEWAN

Terms & Conditions

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes – Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Simmental Association or Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supercede any written material in the catalogue.

- We can't say enough about Payton 425B. She is arguably the most elegant, free moving and correct cow at Double Bar D. She is dam of the 2019 high selling Annuity bull, who is a full sibling to these four flush brothers, sold to Bruce Cuddy, North Carolina. Also in Share the Herd 2020, Payton 562H, a flush full sister, sold to Timberwood Farms, Nova Scotia.
- These full brothers are very stylish yet thick in nature with excellent calving ease built in.
- All four siblings are quite similar in nature and type with 567H having some extra performance and ruggedness.

- For the serious cattlemen, Red Wave has excellent breeding potential and has been very exciting to watch develop. He is loaded with curve bending performance, thickness, depth, style and travels very well. His dam, MAF Goldie 140E, was purchased from Meadow Acres in the fall of 2018. She was selected for her overall style, rib shape and depth of body. She has developed into an excellent donor cow with great udder quality and structure. Red Wave's explosive growth from a low 75 lb. birth weight to an astounding 950 lb. adj. weaning weight and 1568 lb. adj. yearling weight is what we strive for. His in herd semen use will be retained and used here at Double Bar D. We believe Red Wave influence can and will be sought out in the industry. So buy with confidence!

DILUTION FREE

- Walker 61H is a very special and easy bull to look at and talk about. Starting with his excellent phenotype all the way down to his flawless structure and foot. Walker commands your attention with his overall capacity, meaning his impressive length, depth and thickness. His dam is a very good Juggernaut daughter, out of none other than the Virginia Ms Treasure 4T cow. Walker's dam, Treat 171A, has several full brothers working in the country as well as several full and half sisters making their mark here at DBD. We can't say enough about Anchor D Motown's first calf crop as they are a very consistent and top notch sire group with Walker being the first of many to come. Motown's influence is definitely felt here at DBD and will continue to be used well into the future.

- We are excited to introduce Motown 65H as the first polled son of Motown on offer. Motown calves very well with some use on heifers. Motown calves are consistent in type and kind and we look forward to marketing the Motown sire group and see his continued influence. 65H's dam is a very good, big ribbed Balboa daughter that did a very fine job here. 65H has a beautiful hair coat, dark hooves and is a soft made bull with an excellent topline.

- We are pleased to offer our first calf crop out of Romano 14F that we own with MC Quantock, Lloydminster, AB. Romano 80H is an extremely long bodied, wide topped, big hipped bull with very good performance. His Balboa dam, Lola 332Y, goes back to the MFI Lolita cow family and entered the donor pen at DBD in the spring of 2020.

- 92H is a very complete, good footed bull whose United dam, Sarah 44D, is a front pasture type of cow.

BW: 96 LBS. • ADJ WW: 957 LBS. • ADJ YW: 1426 LBS.

DILUTION FREE

- Burgess' sire, Double Bar D Thunder, still walks the pastures here at DBD at 11 years of age and his feet have never been touched. Burgess, in my estimation, is the best Thunder son to date. He is not only backed by the power and longevity of Thunder, but also boosted by his dam, Double Bar D Crystal 65B, a very good Juggernaut daughter. Burgess is an awesome structured bull that is heavily pigmented with good hair. Burgess is very gentle in nature that has performance and hip structure second to none.

We are very excited to present Wheatland Man O' War 907G as an exciting new sire as he was the most talked about bull to sell in the spring of 2020. Looking forward to his influence in our program as we feel he is and will be a perfect compliment to our existing genetics. Look for his sons and daughters this coming fall and his sons in The Best of Both Worlds 2022 edition! We have 40+ calves on the ground as I write this and they definitely have met and exceeded our expectations thus far.
