COMPLETE HERD
DISPERSAL SALE

Saturday
NOVEMBER 23
Viking Auction Mart
Viking, AB
1:00 PM

Welcome

We would like to welcome you to our total Herd Dispersal Sale. We would like to acknowledge all our fellow breeders that we have crossed paths with through the past years. Also our customers, most of whom will still talk to us. We know we will miss our cows, but maybe the interaction with the people more. Our lives have revolved around the Simmental breed for many, many years. Although our herd has never been very large in numbers we have endeavored to produce cattle that were functional, hard working and maternally based. We have worked at raising cattle that can calve unassisted and bring in an acceptable calf at weaning.

We joined the CSA in 1982 and started our herd by upgrading, then soon started buying a few purebreds at dispersals and at sales such as the Big Horn Sale from herds like Sim Roc, Maralynn Farms, and OK Simmentals. One of our first bulls came from Murry Magill who years later became a friend and customer. We started A.I.ing in 1988. The first bulls we used were BHL Western 36R and Knights Thunder. We bred mainly Fleckvieh until we decided that polled heads and solid colored hides were where we wanted to be. We used mainly A.I. bulls, with our own bulls for clean up. This year only the heifers are A.I.ed.

We have consigned heifers to Checkers and Transcon's Red & Black. We were members of the Camrose Country Classic, which was made up of some of the better breeders in this area. We sold with them for 7 years. We sold bulls at the Lloyd Bull sale, the A.S.A. bull sale in Camrose and for 12 years in the Place Your Bull Sale until last year, when we became partners in the Rancher's Choice Simmental Bull sale in Veteran. We will hold our final bull sale next March.

The cattle have been Ivomeced and are on Bovishield Gold and Scourgard.

We thank you for attending our sale and wish you luck with your purchases.

Garth & Jim

Sales Management Comments

Welcome to South Holden Simmental Complete Dispersal. The sale is being held at the Viking Auction Market, a very accessible location for all hoping to attend. The cattle will be stalled in large feed and water pens for your viewing. Garth and Jim have decided it's time to lessen the load so their highly productive herd is available this fall.

Garth and Jim are long time Simmental breeders and supporters of the great Simmental industry. As I think back, I'm guessing I've known Garth for almost 30 of the 35 years he's been an active Simmental breeder. This long standing breeding operation has been focused on breeding sound functional cattle that make money for their new owners. Integrity, honesty and a no nonsense way of doing business are why they've succeeded for so long in the Simmental business. It has never broke the bank to purchase cattle carrying the "FLEM" tattoo, and I can confidently say that anyone who purchased them was very happy. Make the time to talk with Garth about the cows. He won't steer you wrong. Garth and Jim have made a living selling bulls from this herd of cows so buy with confidence!

You will find a herd of cows that are sound and fertile as well as easy keeping. Over the years, females were marketed annually through the Camrose Country Classic Sale and Ultimate Red and Black Sale. South Holden's bulls have been sold in the Place Your Bet Bull Sale for many years and recently in the Ranchers Choice Bull Sale. You will have the opportunity to purchase all the females as well as view the bull calves along side their mothers. The herd has been managed very strictly and built over 35 years, true money making cattle!

Garth and Jim have sold and purchased cattle from the most prominent breeders in the nation as well as the newcomers to the breed. This will be a great sale to break into the Simmental business or add a few more solid producing females to your herd. Let's fill the stands in Viking and have a great sale! If you require any assistance, please feel free to contact any of us at Transcon Livestock. We are always happy to assist you!

CWP 133E was the high seller at Porter Ranch's bull sale in 2018. His calves are some of our best. They were favorites in both the heifer and bull pasture this summer. Kevin Porter offered to buy him back for one of his customers and he is now walking at Soderglen Ranch.

Terms & Conditions

TERMS - The terms of the sale are cash, cheque, Visa, Mastercard, or Interac, payable at par at sale location. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for his purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

SALES TAXES - Applicable sales taxes will be charged on semen, embryos and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INFORMATION SUPPLIED - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and neither Transcon Livestock Corp. or Jamesway Enterprises Ltd. assume any responsibility if the information supplied is not accurate.

CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Transcon Livestock Corp. and Jamesway Enterprises Ltd. assume no responsibility if the images as received have been altered.

ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recording certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As this is a dispersal sale all cattle will be selling as is with no further guarantee. However, bred females will be pregnancy tested and results, along with any pertinent information known to the owners, will be announced from the auction block.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between buyer and seller.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.
