LONGVIEW CATTLE COMPANY  
BROOKSLAND FARMS

# Welcome From DOUBLE BAR D

Welcome folks!

We at DBD are very grateful for the support we receive year after year – Thank you!

It a great time to be in the cattle business as returns for cattle in all classes is up from last fall. Enthusiasm is at a great level and this is a great time to bolster your lineup.

This edition of Share the Herd is packed full of great genetics – both live and frozen for your appraisal and opportunity to invest in.

We are very pleased to be working with friends as consigners: Longview Cattle Co of Grenfell and Brooksland Farm of Wolseley SK. Your contribution to this sale of great open heifers is appreciated.

A sincere Thank you to all of the Double Bar D team that works hard on all sides of our family farm – your work is greatly appreciated!

Thanks to T Bar C in their professional manner to manage this sale as well as Bohrson Marketing services, First Class Marketing and DLMS.

Our offering consists of elegant and functional open heifers right from the top of their pens and a very strong set of bred's that are bred up early and are ready to offer the next generation in just a few months.

We look forward to seeing you on Wednesday, December 7. Supper at 5:30 and Sale at 6:30 at the Legacy Inn Grenfell, SK.

We look forward to your inquiries  
Best Regards on behalf of the Dimler Family,

*Ken*

**5:30 PM** Supper at the Legacy Inn  
**6:30 PM** Double Bar D "Sharing The Herd"  
Fall Female Sale

## From the Desk at T BAR...

Each December it has become a tradition to select some of the world's greatest Simmental genetics at Double Bar D. This is your invitation to join us on December 7, 2022 "Double Bar D's Sharing the Herd" Female Sale at the Legacy Inn, Grenfell, Saskatchewan at 6:30 P.M. As in the past, the Dimler Family have invited their friends and fellow neighboring breeders, Longview Cattle Company, and Brooksland Farms to consign their best 2022 heifer calves to this leading event.

Outstanding...What a great offering of Simmental seedstock! The bred heifers are powerful....deep, broody, highly maternal and carrying early services so you will be clipping a coupon in a month or two...all divisions, black, red and fullblood. These bred heifers are selected from the predictable cow families in the program... you are assured quality with your selections.

The 2022 heifer calves are fancy, competitive in nature, and genetically powerful out of proven mothers. The frozen lineup is diverse in genetics, out of proven, predictable donors that have earned their right to be donors by production. These futuristic matings will earn their own mark in this growing breed years forward. The semen selection is offered out of the huge battery of proven sires. Get your 2023 breeding requirements taken care of on December 7th and save some tax dollars.

"Sharing the Herd" is an event you should not miss. Stop by the Double Bar D headquarters to view the offering any time prior to the sale or give Ken a call to discuss breeding options and your Simmental requirements.

Feel free to give any of the T Bar Team a call and we will assist with your purchases in a professional and confidential manner.

Lola 23J is a definite noteworthy, homozygous polled, full Fleckvieh heifer. Her 11-year-old donor dam Lola 332Y has stood the test of time with grace, elegance, and functionality. She is backed by the proven MFI Lolita cow family that exhibits excellent structure and capacity. Lola 23J is a dark red, stout made FGAF Electric Avenue daughter that is setting the table with an excellent udder. There is very good earning potential! Double Bar D reserves the right to flush this excellent female at the buyer's convenience and seller's expense.

# Brooksland Farms

Welcome to the 2022 Sharing the Herd Genetics Sale. Thank you to the Dimler family for the opportunity to share our genetics. Brooksland farm is operated by Tyler, Jen, Emma and Margaret Brooks. We originated from Paris Ontario but have since moved to Wolseley Saskatchewan in the fall of 2021. We have a small but mighty cow herd that rely heavily on Double Bar D genetics. Our herd bull Double Bar D Bankroll 804F has been taking our herd to the next level and the heifer we have consigned is a great example of that. We look forward to seeing you at the sale, please reach out if you have any questions.

- Brett 510J exhibits all the best of the 'Brett' cow family - fancy fronted and bold sprung Man O War heifer that is complete as they come.
- The Brett Cow family most recently produced All Breeds Champion Heifer at Manitoba's Ag Ex. Congratulations to Jake and Laura of Horner Cattle Co.
- 510J dam Brett 536F was 2-time divisional winner at Ag Ex as well.
- Brett 510J is very gentle in nature and impressive in phenotype.
- Take note of the unique breeding to Harkers Icon.

**Homo Polled Homo Black**

AI April 2, 2022 to HARKERS ICON. Preg check confirmed safe to AI (13 weeks) on July 5, 2022. Exposed to RUST REST EASY 516G May 2, 2022-May 28, 2022

HARKERS ICON - SERVICE SIRE

DOUBLE BAR D BRETT 536F - DAM

Congratulations to Jake and Laura of Horner Cattle Co for their recent success in All Breeds Heifer Calf Jackpot Champion and Simmental Heifer Calf Champion with HFL Bretta 2039K (the Double Bar D Brett Cow Family). Her dam, Bretta 461H was purchased in Share the Herd 2020. Thankyou Horner Cattle Co, they are now 25 Double Bar D females deep in their great program!

We were approached by Sharon Armstrong to auction off a quilt in our Share the Herd Sale with proceeds going to Stars Air Ambulance. Her husband received care from the Stars team and she wanted to show their appreciation to the organization. We as a family have had our own need for Stars in April of 2021 when Ken needed to be rushed to Regina. Ken clearly recalls their professional yet compassionate care for him while in transit. We were happy to show our gratefulness as well!

Material provided by Sharon Armstrong Cut and pieced together by Sandy Hassler (great grandma to Jacob, Ellie, Jenson, Atlee and Georgia) Longarm quilting completed by Terry Whitman

One of the very best Flirt progeny to date, 956G was the highlight and high selling female at the Rose Bowl and Jenna/Flirt event of 2021. We are very pleased and excited to partner with Ranciers on this exciting one of a kind female. The Flirt cow family needs no introduction as they are the right kind and continually rise to the top. Here is an excellent and rare opportunity to invest in these elite genetics.

We purchased Onyx 451W with the assurance of knowing that she is an elite and excellent producer. STF Onyx, the two time NAILE Champion has an impressive 141 progeny recorded and her dam, Caliente, has 178. You can purchase these Onyx embryos with confidence that the resulting progeny will be a cut above. Onyx works very good in IVF thus we can offer her genetics to the industry while being able to retain many as well. We can't wait for her calves to hit the ground January of 2023. Be on the ground floor especially here in Canada to invest in this breeding masterpiece!

172G was purchased from Black Gold/Canadian Donors/Grass Roots Ranch from Friday Night Lights 2020 with the intention to really "build" around this impactful elite female. She has worked very well in Embryo Collection so we feel we can offer her genetics to the industry. Her mating to Captain Morgan represented here will be impactful moving forward. Tie in with confidence in this soft made, structurally elegant female.

Purchased from Griswolds in the fall of 2017 for \$65000, Exactly 761E has been paraded up and down the road with excellent results. She was third overall Percentage Heifer at OYE (Oklahoma) in 2018 and Reserve Overall Percentage Heifer in 2019. Also, In Denver 2019 she was reserve Division Percentage Simmental. Not only does 761E dazzle in the show but produces very well as well with her Bankroll daughter, 695G, being an impressive individual, 761E has a full sister on the show road with success being Supreme Champion at Tulsa State Fair in October of 2021. SO, with that said, consistency runs deep. 761E has much to offer for a percentage program as she will add hair, phenotype, all the while maintaining an excellent structure. These resulting embryos from Exactly 761E and Wheatland Man O War will be 3/4 blood Simmental and has endless potential for the show enthusiast and rancher alike.

530A has been a consistent producer stemming from the Angel cow family which has been one of the most predictable cow families here. We decided to flush her due to the length of body and structural correctness she passes on to her offspring. The cross with Structure is exciting as we love the sheer power and attractive look he stamps his calves with.

Payton is likely the best structured black cow at DBD along with awesome neck extension and a beautiful skull. You have the choice of investing in the tried and true combo of 425B X W/C Bankroll which are full sibs to the 54000 Annuity Bull going to High Ridge Farms of NC or the exciting combination of 425B and Captain Morgan. I think this cross will be incredible! Payton's Turnpike daughter was high selling simmental female for Alton Century Farms Ltd. at Fallsview 2021.

Ada 177C is a beautiful, Structurally and excellent uddered **Homozygous Polled** female that we have intentionally bred to build around. She is very attractive with extra neck extension and very good rib shape. She was pictured as a first calf female so now you can imagine her with a whole lot more mass. Her ET sons from Bellagio in 2019 were very well received and sold to Forden Fairview Farms, Sk, Gamache Simmentals, AB and Gra-Tan Ranch, Ab. Her **guaranteed Homo Polled Embryos from SVS Gambler**, I have the confidence will be the right kind with tow exceptional females backing them, Ada 177C and Alliance Ms Dakota Dream. The other mating to the **Homo Polled bull DBD Rivalry 16F** should be very good. Rivalry 16F is owned by Robb Farms. **Can/USA Stored at Bow Valley Genetics**      **Canada Stored at Bow Valley Genetics**

Once we laid eyes on Primetime we really wanted to own him, the lead off bull at Rust Mountain View Sale 2020. He was admired by many as their pick of the bull calves at Denver 2020. Primetime is very clean fronted but yet explodes into a wide topped and thick butted bull all tied together with a stellar set of EPDs, especially calving ease. He is strong footed and very athletic in his movement on a near flawless phenotype and backed by an incredible pedigree going back to 8543. His Second calf crop has met all of our expectations as they are born easy with great vigor and develop to be correct and attractive with excellent capacity. **Homo Polled Homo Black 7/8 Simmental**

Turnpike was the most talked about bull at the 2018 National Western and if you saw him stomping the dirt in the Pepsi Centre, it was easy to understand why. A rare blend of power and mass with undeniable presence. He is big footed and has excellent testicles. Equally intriguing is Turnpike's unique and outcross pedigree and well above average EPD spread. We partnered with Werning Cattle Co. to purchase Turnpike as the high selling lot in Rubys Bull Sale. Turnpike's progeny consistently rise to the top on both sides of the border. **Homo Polled Homo Black 7/8 Simmental Qualified for CAN/USA**  
Stored at Alta Genetics

We are just weaning Motown's third calf crop this fall and they are arguably the best sire group, so we are very pleased and excited. Motown is very moderate on a correct structure with an excellent foot but his progeny tend to out perform himself. His heifers are feminine and fancy with lots of rib and his bull calves are stout made, free moving with good structure. Check out his progeny in this sale.

**Qualified for CAN/USA.**

We are very excited to introduce Gambler to our program and share him with the industry. We are extremely impressed how He has continued to develop while breeding a large group of fleck heifers this spring and also breeding a group of our 'June calving' cows this August and September. He is a very well built, thick and robust bull whose 1st calf crop came easy and are developing very well. Heifer approved. **Homo Polled**

RLD 425K

RLD 431K

## TERMS & CONDITIONS

**TERMS:** The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Double Bar D reserves the right to flush any of the females in the offering at the seller's expense and buyer's convenience.

**CERTIFICATE OF REGISTRATION:** Each animal will carry papers issued by the Canadian Simmental Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### **PEDIGREE ESTIMATES:**

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

**HEALTH:** All animals in the sale have met all necessary health requirements.

**GUARANTEE:** Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Simmental Association with regards to health, freedom from defects and from both reproductive and specific genetic unsoundness.

**PREGNANCY INFORMATION:** All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

**LIABILITIES:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

**DELIVERY:** Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

**PHONE, MAIL, WIRE BIDS:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**INSURANCE :** We strongly recommend that insurance is purchased for full value.

**ERRORS:** All announcements at sale time, written or oral, supersede any written material in the catalogue.
